BEST IN CLASS: AUTOMATION AND CRITICAL POWER SOLUTIONS

SINAMICS PERFECT HARMONY
Medium Voltage VFDs
Robicon Low Voltage VFDs

SPOT & RATIO Pyrometer,
Line Scanners,
Process Thermal Imagers

Engineered Transformers,
Engineered Power Supplies, Saturable
Core Reactors

Control Valves, Actuators,
Rotary Butterfly Valves,
Transmitters & Positioners

by **Schneider Electric**

Utility & Refinery Grade UPS, Inverters,
Chargers,
Integrated AC & DC Systems

High Temperature Boiler and
Furnace Cameras

SCR Power Controllers for
Industrial Heating Applications

by **Schneider Electric**

Single/Multi Loop Controllers,
Process Automation Controllers (PAC)
HMIs, Digital Recorders

Batteries: Flooded, VRLA, NiCad,
Removal, Disposal,
Installation, IEEE testing

T/Cs, RTDs, Thermowells Online Wake
Freq. Calculator, Custom Sensors

Energy Measurement Devices,
Energy Meters,
Power Quality Analyzers

Applied Motor Controls

Low Voltage & Medium Voltage Soft
Starts, Low Voltage AC Motor Controls

ANSI National Accreditation Board

ACCREDITED

ISO/IEC 17025

CALIBRATION LABORATORY

We service existing equipment...

Field Services • Onsite Calibrations • IR Pyrometer
Controller & Recorder Calibration • Preventative &
Contract Maintenance • Furnace Temperature
Uniformity Surveys • UPS & Battery Service, Load &
Capacity Testing • Battery Installation & Removal

AUTOMATION AND CONTROL SOLUTIONS

BEST IN CLASS PRODUCTS TO MEET A VARIETY OF APPLICATIONS

Automation Systems

- Legacy Allen-Bradley and Modicon PLC Upgrades
- Process Automation, SCADA, BMS
- Eurotherm Process Automation Controllers
- HMIs and Data Recorders

Instrumentation and Control

- Single Loop, Multiloop Controls, Digital Recorders
- Thermocouples, RTDs, Thermowells
- Infrared Pyrometers, Line Scanners, and Thermal Imagers
- SCR/SSR Digital Power Controllers
- Temp, Pressure, and Flow Transmitters
- Start-up, Training, and ISO-17025 Field Calibration Services

Critical Power Solutions

- Utility Grade UPS, Single and 3 Phase, 1.5 KVA to 660 KVA
- Lead Acid, NiCad, Flooded, VRLA Batteries
- Battery chargers - 6 Amp - 1200 Amp
- Medium Voltage VFDs - 250 to 30,000 HP
- UPS/Battery Service, Removal, Disposal, Installation, IEEE testing
- Custom Power Supplies and Transformers
