Best in Class: Instrumentation and Critical Power Solutions

INNOMOTICS

A Siemens Business

SINAMICS Perfect Harmony
Medium Voltage VFDs
Robicon

Gutor technology

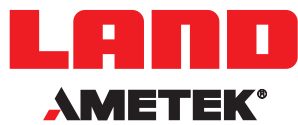

Utility & Refinery Grade UPS,
Inverters, Chargers,
Integrated AC & DC Systems

SCR Power Controllers
for Industrial
Heating Applications

Flame detectors, Combustible
gas detectors, Toxic gas detec-
tors, Explosion-proof smoke
detectors

SPOT & RATIO Pyrometers,
Line Scanners,
Process Thermal Imagers

Janitza®

Energy Measurement Devices,
Energy Meters,
Power Quality Analyzers

T/Cs, RTDs, Thermowells
Online Wake Freq. Calculator,
Custom Sensors

High Temperature Boiler and
Furnace Cameras

Batteries: Flooded, VRLA,
NiCad, Removal, Disposal,
Installation, IEEE testing

Engineered Transformers,
Engineered Power Supplies
Saturable Core Reactors

Low & Medium Volt Soft Starts,
Low Voltage AC Motor Controls

Accelerate your productivity
Reduce your backlog
Improve your processes

Stroboscopes, Tachometers,
Recorders, Speed Sensors,
Vibration Meters, & Paperless
Recorders

Flowmeters,
Pressure Transmitters,
Level Switches & Accessories

Eurotherm

Single Loop Controllers,
Multiple Loop Controllers,
Digital Recorders

GEFRAN

BEYOND TECHNOLOGY

Controllers Programmers
Position & Pressure Sensors
Strain & Force Sensors

We service existing equipment...

- Field Services - Onsite Calibration
- IR Pyrometer Controller & Recorder Calibration
- Preventative & Contract Maintenance
- Furnace Temperature Uniformity Surveys
- UPS & Battery Service, Load & Capacity Testing
- Battery Installation & Removal

300 Mt Lebanon Blvd Suite
2202, Pittsburgh, PA 15234
